### **About the Training**

Standard 5.20 provides a statewide framework for defining the duties and obligations of supervised visitation providers. Attendees will learn the thirteen provisions and will be provided guidance on how to implement a best-practices service delivery model that meets state standards of practice.

### **You Will Learn**

Key Standard Provisions  
Provider Role &  
Responsibilities  
Safety Factors and Risk  
Protection  
Report Documentation

Attendees will be trained on an acceptable documentation method for visitation reports. The three-day training will provide a comprehensive overview of the standards with case examples, group discussion exercises, and practice demonstrations for application of Standard 5.20. Handouts and job aids will be disseminated.
